# MUSIC DEPARTMENT LISTENING LIST

NOTE: Use Internet Explorer when following links to Naxos Music Library below. There are known problems using Firefox.

Below is the Music Department Listening List including information on how to find each recording. Composers are listed chronologically. CDs can be requested from the circulation desk. Note that several CDs may be on reserve, so please determine this before requesting a CD. For Naxos Music Library recordings, simply click on one of the links to access the recording. Classical.com recordings could not be easily linked, so you will have to search for these recordings in the classical.com database, although this list indicates if a recording is available there. Ask the reference librarian for searching assistance if needed.
